### Local Prayer:

- For Peter and Stephen as they prepare to lead worship next week.
- For those who are feeling pressured and misunderstood in families, at work and among friendship groups - that peace, truth, and renewing will be allowed to prevail.
- For all who look after and support family and friends who are unwell, for those recuperating and for those coping with difficult situations at home and at work. May Gods power, strength, comfort, and healing be known.
- With thanksgiving for the successful ongoing work on the Church2U bus. Please continue to pray for the present mechanical problems to be resolved by the mechanic Jim, and pray protection on Ian and all who are planning the future work.

### Global Prayer:

This weeks prayer requests from Operation Mobilisation open with these words. As violence continues to escalate in Sri Lanka, we pray for peace. We continue to pray for East Africa where millions face food shortages. We also pray for peace in Uganda and Colombia, and give thanks that Christians are speaking out for justice in Zimbabwe.

'You're blessed when you can show people how to cooperate instead of compete or fight. That's when you discover who you really are, and your place in God's family.' (Matthew 5 :9 taken from The Message)

There are rumours stemming from occult style groups that the world is going to end on 06-06-2006. Please can we pray for those who may be susceptible to this type of rumour that they are able to discern the lies from the truths. Please can we also pray against the meetings and séances that will take place on this date that God's protection will be on his people. Amen
