- For Ivy who was not well enough to have her operation last week. Pray that a new date will be offered soon and that she will be well and regain her strength.

### Global Prayer:

Our prayer focus this week is with Operation Mobilisation, in Malaysia, and for those of you who have limited knowledge of the work of OM, it might be helpful to explain that they own two ships which they use in ports around the world to encourage local evangelism. God is doing amazing things in Malaysia as local workers join crew members from the MV Doulos in "Making a Difference" (MAD). The Doulos sailed into Port Klang on 28 June and will visit two other Malaysian ports over the coming weeks. A host of programmes are planned for the ships visit including a special emphasis on empowering youth for leadership and service. PRAY that the Doulos visit will truly make a difference in Malaysia. PRAY for each of the young people taking part in the leadership training, that this opportunity will inspire many to get involved in full time service.
