## PRAYER MATTERS!

**For this week particularly, please pray...**

... for Dawn and Glen as they cope with the disappointment of Glens operation being cancelled and wait for news of what may happen next.

... for Yvonne, Angela, HelenP, SarahE, Stephen & PeterR as they prepare worship for next week.

... for Edwin and Veronica as they seek the best ways in which to arrange help and support for Edwin's Mum and Veronicas Aunt, both recovering from surgery in different areas of the country.

... with praise and thanksgiving that the challenging work amongst young people in the St Giles area is having a positive influence. Several of the young people are moving closer towards God and one has recently become a Christian.

... for our young people (and their families) coping with exams, and for teachers who are delivering the information and support.

... for those involved in, and affected by, the process of the Invitation Committee regarding future ministerial oversight in the Circuit.

... for funding for the work of Street Pastors in Lincoln to begin, about 20K will be needed for the first year.

IN ESTONIA WITH THE 'BIBLE SOCIETY'....Estonia is an almost totally secular society, with most people having no connection with, or interest in the church. This means the Christian community is very small, leaving the Bible Society there hugely dependent on gifts and prayer from abroad. PLEASE PRAY that there will be great wisdom and creativity in finding ways to awaken people to the Bible and its message, and for initiatives to reach the more than 100,000 Russians living in this country who do not speak the local language.

Please pass information and prayers to Angela for our next notices by Wednesday.

Copies of the Development Plan are still available in church.
