**PRAYERS FOR THE PHILIPPINES:** Nearly 300 people were killed when Typhoon Ketsana struck and forced many thousands to flee their homes. As well as roads, bridges and buildings, the storm badly damaged the country's vital rice crop. This typhoon has been followed up by others, notably Typhoon Parma, the strongest to hit the islands since 2006. Please pray that the basic needs of those affected are met. Pray for the health, strength and wisdom of staff working for Tearfund's partner as they respond. Pray that the country would be spared further typhoons and that floods will subside quickly. Report: Tearfund.

Please pass information and prayer matters to Angela by the previous Wednesday & contact her if you would like notices emailed to you. Tel 822981 or [angela.reast@ntlworld.com](mailto:angela.reast@ntlworld.com)
