... for Edwin and Veronica, caring for their family.

... for all those who study and work in and for our schools. (see notice)

... pray for the work of 'Open Doors' especially this Sunday, as it is 'International Day of Prayer for the Persecuted Church.

... Nepal is one of the world's poorest countries and one of the hardest places to live if you have a disability.

A recent survey by Tearfund partner, Partnership for New Life, showed 42 per cent of families of people with disabilities were living below the poverty line. Due to dominant cultural and religious beliefs in Nepal, society tends to adopt a fatalistic view of disabled people and, as a result, this group is one of the most marginalised in society. With the support of UK churches, TF is working to promote material and spiritual wellbeing among this often overlooked section of Nepalese society. Pray for a positive shift in views in Nepal towards people with disabilities and give thanks for those who are seeking to bring support to them.

Please pass information and prayer matters to Angela by the previous Wednesday & contact her if you would like notices emailed to you. Tel 822981 or angela.reast@ntlworld.com
