### PRAYER MATTERS!

... for all those preparing worship over the next week, here and elsewhere.

... for those of us who are ill, coping with bereavement or supporting family and friends who are in challenging circumstances.

... for MarkL and Carolyn, as Mark oversees the Circuit. May all those of us with roles in our churches and circuit be helpful and supportive as we fulfil our roles to the glory of God.

... following the earthquake in China, we pray for the families and friends of those hurt, killed, and missing and for the relief teams.

... We remember the rebuilding of lives and communities in Haiti, and continue to pray and give thanks for the Christian people living there, and those visiting as part of the aid. May God keep them well and strong in faith and health.

... Please prayerfully consider how you may help our services and Junior Church run smoothly during June, July and August.

... Tearfund Report: Forty days of prayer have started for Nepal as it nears the deadline for completing a new constitution, an issue of key importance for the outlook of this Himalayan nation. Please pray the new constitution will be completed on time and will recognise the diversity of Nepal, leading to increased unity across the country. Pray it will pave the way for free and fair elections and the election of a representative, just and effective government to run the country. Pray for organisations like TF working to strengthen the local church and serve the people of Nepal.

**Notices** Please pass information and prayer matters to Angela by the previous Wednesday & contact her if you would like notices emailed to you. [[angela.reast@ntlworld.com](mailto:angela.reast@ntlworld.com) or 822981]
