PRAYER MATTERS!

... for all those preparing worship over the next week, here and elsewhere.

... for those who are struggling with illness and bereavement.

... for the work of Street Pastors, NOMAD, the Community Larder and others seeking to make a difference in our city.

... at the end of Global Poverty Prayer Week we remember those struggling to exist and those making a positive difference across the world, in areas of poverty, disease, war, disaster.

... Tearfund reminds us that the earthquake in Chile shows us how vulnerable our world is to disasters and emergencies. As people around the world are trying to contact loved ones who are in Chile, let's pray that they will know God's peace and freedom from fear. We remember in our prayers the rescue teams and emergency services as they carry out their critical work over the next days. TF has a long history of working in Latin America, and although they no longer fund work in Chile, they retain good links with churches and organisations based there. Let us take time to pray for our brothers and sisters in the church in Chile.

During Lent we are collecting packets and tins of food for the Community Larder. There is a box near the entrance to put our gifts in.

Notices Please pass information and prayer matters to Angela by the previous Wednesday & contact her if you would like notices emailed to you. [angela.reast@ntlworld.com or 822981]
