

We are looking for your help to ensure the God Pod bus ministry continues in the north of Lincoln and beyond.

The present ageing bus has served us well in St Giles, Nettleham, Tower Estate, Monks Road, and Cherry Willingham.

With new openings in schools, the villages, as well as in our city, we need to be ready to grasp these mission opportunities as they arise.

Maintenance costs of the present bus are escalating year on year, hence we feel led to announce that the time has come to seek a newer replacement bus. Can you help us raise £20,000? With your help we believe we can!

Supporters are invited to commit to a monthly or quarterly standing order in units of £2 per month or equivalent. To this end, we have set a target of raising 250 units of monthly £2 donations. If you can help in this way, please complete the form on the adjacent page.

Thank-you from the Pod team (John, Edwin & Peter)

Here's what the Pod offers: -

- a friendly face
- opportunity for conversation
- a comfortable place to sit
- support and advice
- information about local churches, groups & activities
- someone who will happily pray for your concerns
- a safe place to ask questions of faith
- music to listen to
- dvds to watch
- literature and resources to take away
- people who genuinely care
