

# Looking Forward: The GodPod

*'Bringing a Christian presence to where people are'*

## **A presence in Schools: Building Christ centred communities**

During lunchtimes the GodPod is a place where teenagers can bring their questions about faith and the church. The 'bus crew' seek to answer them and provide relevant resources.

## **Streets: A resource for sharing the gospel with children and teenagers across Lincolnshire**

On the St Giles and Tower Estates in Lincoln and at Hemswell Cliff village, the GodPod provides a safe place for children, teenagers and their parents to explore faith through worksheets and conversation.

## **Special Events: A hub providing opportunities to share the gospel**

The GodPod has visited the Lincolnshire Show and events in Lincoln City Centre. We hope to be able to attend the Sunday morning Hemswell Car boot sale on a regular basis. The 'bus crew' engage the public in conversation and hand out Christian leaflets, etc

**Mobile Worship Venue** We hope to use the God-Pod for worship in villages without a church presence.

**Is the Holy Spirit prompting you to use the GodPod in your community?**

The GodPod can't function without 'bus crew' to talk to those who come on board. It also needs 'depot crew' who are praying for the 'bus crew' while they are out on the road. Their prayer support makes a vital difference to the success of the GodPod's mission. The bus and depot crew stay in contact by phone.

- Can you chat to people?
- Can you pray?
- Then you're qualified to be a crew member!

Have you bought a 'bus ticket' to support the GodPod? The 'bus ticket' scheme lets you make small regular donations by standing order. Your donation can be gift aided.

You can download the standing order form from the 'future' page of [www.church2you.co.uk](http://www.church2you.co.uk) or phone Anne Beckett (01522 750870) and ask her to post you the form.
